DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art of the record fails to show or fairly suggest a moving imager camera comprising an alignment mechanism that includes a laser diode disposed within the first positioning mechanism and aimed at a mirror disposed within the second positioning mechanism, and a light sensor disposed within the first positioning mechanism, such that when the first and second positioning mechanisms are aligned into substantially the same plane, a beam of light generated by the laser diode will reflect off the mirror and return for measurement and optimization at the light sensor.

Claims 2-3 are allowable for the reason given in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
